

BERRI ADVANCED COCO HUSK CHIPS BLOCK

 www.berricococoirsubstrate.com

We at BERRI COIR SUBSTRATE guarantee promised expansion and EC for our products.

BERRI Coconut HUSK CHIPS is COST EFFECTIVE growing medium for hydroponic applications, container gardens, and pots.

It is free from pathogens, stones, weed seeds, and harmful microorganisms.

Coco coir is likewise extraordinary for indoor plants, particularly for soil less planting.

They are mixed with coco peat or added to potting soil to regulate the aeration of growing plants and maintain the ideal air-to-moisture ratio for plant, Desirable aeration helps the plant roots to be supplied with the necessary amount of oxygen thereby growing healthy.
